

Bird Week

Half Term: 19-27 Feb

Flock to Temple Newsam for some feathery fun during February Half Term.

For the eagle eyed, grab some binoculars and go on a bird hunt around the house. There's crafts including magnet making, sewing and stick puppet making too!

Meanwhile fly on down to the farm for our native bird trail and join us for bird crafts in the Joiner's Shop from 10.30am-3pm daily. Build your own nestbox in our special sessions from 10am-12pm Tuesday-Thursday!

Activities are included in normal admission fees.

*We welcome cash donations for Nestbox making.

This activity is offered on a first come first serve basis.
