# Vocabulary corner

"You can't build up a vocabulary if you never meet any new words. And to meet them you must read. The more you read the better. --Rudolf Flesch

demur = express disagreement or refuse to do something:

Example: 'The children followed the teachers instruction without demur.'

How many other sentences can you generate using demur?

## Messages from the Principal

Good afternoon.

Throughout the week the children have been debating for or against key topics in each class ahead of the year group finals next week. Debate makes you question your own opinions, Friday 21st October: 'Wear It Pink' - fundraising and challenges your thinking. It promotes problem solving and innovative thinking, and helps you to build links between words and ideas that make concepts more meaningful. For those reasons we will be providing the children with opportunities throughout the year to participate in debate.

> Also this week, year 3 children have participated in 'No more marking'. This provides the school with the opportunity to assess our children's writing against others nationally, and further supports our identification of next steps for our children in order to extend their writing.

awareness. Please provide a donation to the just giving page indicated below for this important cause: https://www.justgiving.com/fundraising/ westertonprimaryacademy

Have a great weekend. David Livie

#### This week...

We would like to celebrate some of our excellent writing across the school. Our children have a daily opportunity to develop their knowledge of grammar and sentence development, focused around a key text. Here are some examples from reception to year 2:

These examples are from year 3 and 4:

Samples of writing from years 5 and 6.

### **Updates and Reminders**

#### 'Wear it Pink'

Please use this QR code to go to our just giving page for breast cancer awareness.

### Something to read this week:

Have you ever wondered how the stars made it into the night sky? Luna and the bottle of starlight may give you some imaginative ideas....

https://www.storyberries.com/ bedtime-stories-luna-and-the-bottleof-starlight-free-books-online-for-

## **Challenge of the Week**

This week we have been debating across Key Stage 2 with the debate topic for year 3 'Books are better than television'.

Would you be 'for' or 'against' this statement? What would be your reasons for? What would be your reasons against?

Could you debate this over the weekend with your family and share some of your reasons for or against?
