Vocabulary corner

'Kind words can be short and easy to speak, but their echoes are truly endless'. Mother Teresa

chameleon = a small lizard with the ability to change colour
Example: 'the man changes his mind like a **chameleon** changes it's colour.'
How many other sentences can you generate using **chameleon**?

Messages from the Principal

Good afternoon,

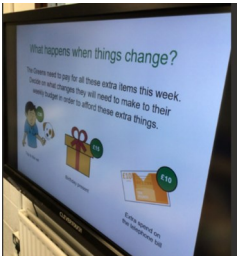

This week the children in years 3 to 6 have been participating in their class Spelling Bee ahead of the finals next week. We have identified the strongest spellers in each class who have been put forward to represent their class in the finals. Well done to all of those children who participated in the heats and good luck to those children who have made it through to the final. I look forward to seeing the competition reach its conclusion next week!

Next week, we will begin with our summative assessments for this term. Our children will demonstrate their knowledge and development gained so far this academic year. This provides further information to class teachers alongside their formative assessment in order to identify and address gaps in knowledge for groups of children or individuals.

Hope you all had a great weekend.
David Livie
Principal

This week...

Children in years 5 and 6 had the opportunity to explore budgeting with representatives from Lloyds bank. They looked at balancing wants vs. needs and explored how a bank works. Some of the teachers also considered their budgeting needs!

Updates and Reminders

Flu Immunisation:
Children will receive their immunisations on Tuesday 29th November. Please discuss this with your children so that they are prepared for the day.

PREVENT Coffee Morning:
Please join us to share with you information on 'The Prevent Strategy, published by the Government in 2011'. The aim of the Prevent Strategy is to reduce the threat to the UK from terrorism by stopping people becoming terrorists or supporting terrorism.
